TPS Anti-Foam (1Ltr)

1. Identification of the Substance/Preparation and of the Company/Undertaking

1.1 Identification of the substance or preparation

Trade Name : TPS Anti-Foam (1Litre)
Product Code : PCDAF1L

1.2 Company Identification

Name : TPS
Company Role : Distributor
Street : Mansion Close Moulton Park
City : Northampton
Country : England
Website : www.totalprintsupplies.co.uk

1.3 Emergency telephone number

Emergency Number : 0800 840 5505 (office hours only)

2. Hazards Identification

2.1 Classification and General Hazards

Classified dangerous in accordance with Directives 67/548/EEC and 1999/45/EC

R-phrases : Harmful if swallowed, Risk of serious damage to eyes
Fire hazard : No fire hazard

2.2 Environmental Hazards

No additional information available

2.3 Other Dangers

No additional information available

The information in this section is applicable on all mentioned identified uses of this SDS

3. Composition/Information on Ingredients

Name : Anti-Foam V-IQ
R-phrases : R22, R41

TPS Anti-Foam (1Ltr)

Composition

Name	Symbo l	CAS no	EC number	EC index no	R- phrases	Reach	%
stearyl alcohol,condensed with 2 mol ethylene oxide	Xn	9005-00-9			R22, R41		< 1%

4. First-Aid Measures

4.1 Effects and symptoms

Symptoms/injuries : Can occur: eye irritation, irritation of mucous membranes and skin irritation

4.2 First Aid Measures

First-aid measures general : Depending on the victim's condition: doctor/hospital

First-aid measures after inhalation : Remove the victim into fresh air

First-aid measures after skin contact : Wash immediately with lots of water - Soap may be used
- Take victim to a doctor if irritation persists

First-aid measures after eye contact : Rinse immediately with plenty of water
- Take victim to a doctor if irritation persists

First-aid measures after ingestion : Do not induce vomiting - If swallowed, rinse mouth with water (only if the person is conscious) - Immediately after ingestion: give lots of water to drink

4.3 Medical advice

No additional information available

The information in this section is applicable on all mentioned identified uses of this SDS.

5. Fire-Fighting Measures

Fire hazard : No fire hazard

Personal protection (Emergency response) : Compressed air/oxygen apparatus

TPS Anti-Foam (1Ltr)

6. Accidental Release Measures

Personal protection (Emergency response) : Compressed air/oxygen apparatus

Handling the product : Observe normal hygiene standards
 - When using do not eat or drink

Environmental measures : No additional information available

Disposal

Leak : Contain released substance, pump into suitable containers

Disposal : Take up liquid spill into a non combustible material
 e.g.: sand, earth, vermiculite

Methods for cleaning : Waste to eliminate according to chemical waste law
 - Contain spill
 - Collect leaking liquid in sealable containers

Other information : Plug the leak, cut off the supply.
 (accidental release) Waste to eliminate according to chemical waste law

7. Handling and Storage

Handling and storage information is applicable on all mentioned identified uses of this SDS.

Handling the product : Observe normal hygiene standards. When using do not
 eat or drink

Storage area : Protect against frost. Keep out of direct sunlight

Special use(s) and requirements : No additional information available

Handling and storage information is applicable on all mentioned identified uses of this SDS.

8. Exposure Controls / Personal Protection

8.1 Exposure information

Limit value name : Earosol - inadembare fractie
Limit value (mg/m³) : 10

8.2 Exposure control - Risk Management measures

Hand protection : Wear suitable gloves.
Eye protection : Protective goggles
Body protection : Wear suitable protective clothing.
Handling the product : Observe normal hygiene standards. When using do not eat or drink

8.3 Environmental Exposure control - Risk Management measures

No additional information available

8.4 Technical Risk Management Measures

No additional information available

9. Physical and Chemical Properties

Appearance : Liquid
State of aggregation : Liquid
Odour : mild odour
Colour : White
Boiling point : 100 °C
Melting point : - 1 °C
Solubility in water : Literature reports: soluble in water g/100m

All properties are determined in accordance with the specifications laid down in the Commission Regulation on testing methods referred to in Article 13(3) or any other comparable method.

10. Stability and Reactivity

Stability : Stable under normal conditions
Conditions to avoid : No additional information available

TPS Anti-Foam (1Ltr)

Materials to avoid : No additional information available

Haz decomp products : No additional information available

The information in this section is applicable on all mentionned identified uses of this SDS.

11. Toxicological Information

11.1 Toxicity

LD50 oral rat : > 5000 mg/kg

LD50 dermal rat : > 2000 mg/kg

Component : **stearyl alcohol,condensed with 2 mol ethylene oxide**

LD50 oral rat : 25000 mg/kg

11.2 Effects and symptoms

Symptoms/injuries : Can occur: eye and skin irritation, irritation of mucous membranes

11.3 Additional toxicological information

No additional information available

The information in this section is applicable on all mentionned identified uses of this SDS.

12. Ecological Information

Ecotoxicity

a) LC50/EC50

No additional information available

b) BCF

No additional information available

c) TLM

No additional information available

Mobility

No additional information available

TPS Anti-Foam (1Ltr)

Persistence and degradability

Component : **stearyl alcohol,condensed with 2 mol ethylene oxide**
WGK : 2
WGK remark : Classification in compliance with
Verwaltungsvorschriftwassergefährdender Stoffe
(VwVwS) of 27 July 2005

Bioaccumulation

No additional information available

Results of PBT assessment

No additional information available

Other information

No additional information available

The information in this section is applicable on all mentioned identified uses of this SDS.

13. Disposal Considerations

Regional legislation (waste) : Do not empty into drains, dispose of this material and its container to hazardous or special waste collection point

14. Transport Information

14.1 ADR (Road transport)

ADR danger labels : Not applicable

14.2 RID (Railway transport)

RID class : Not subject

14.3 ADNR (Inland waterways shipping)

No additional information available

14.4 IMDG (Sea transport)

IMDG class : Not subject

14.5 ICAO/IATA (Air transport)

ICAO class : Not subject

15. Regulatory Information

15.1 Components indicating danger classification

No additional information available

Information about Chemical Safety Assessment is public domain

15.2 Classification and labelling

R-phrases : R22 - Harmful if swallowed
R41 - Risk of serious damage to eyes

Classified dangerous in accordance with Directives 67/548/EEC and 1999/45/EC

Extra phrases : Safety data sheet available for professional user on request

15.3 Compliancy additional legislation

Classified dangerous in accordance with Directives 67/548/EEC and 1999/45/EC

16. Other Information

R-Phrases components

R22 Harmful if swallowed
R41 Risk of serious damage to eyes

MSDS: according to EC directive 2001/58/EC and the REACH regulation 1907/2006 Annex II

REACH Disclaimer:

This information is based on current knowledge. Consistency of data in the SDS with CSR is considered, as far as the information is available at the time of compilation (cfr Revision date and Version number).

This information is based on our current knowledge and is intended to describe the product for the purposes of health, safety and environmental requirements only. It should not therefore be construed as guaranteeing any specific property of the product.
