

TenCaCid CTP Premium Green

1. Identification of the substance/preparation and of the company/undertaking

1.1 Identification of the substance or preparation

Name.....: TenCaCid CTP Premium Green
Product code: AT0901CTPPG
Type of product: Mixture, An Aqueous blend of buffer salts and surfactants

1.2 Use of the substance/preparation

Main use category: Reserved for industrial and professional use.
Industrial/Professional use spec.: Watercondition waist
Industrial category: Printing trade
Function or use category.....: Additive

1.3 Company identification

Name : TPS
Company role : Distributor
Street : Mansion Close, Moulton Park
City : NN3 6RU Northampton
Country : England
E-mail : info@paperlinxeu.co.uk
Website : www.totalprintsupplies.co.uk

1.4 Emergency telephone number

Emergency number :
Emergency tel. number - comment : 0800 840 5505 (office hours only)

2. Hazards identification

2.1 Classification and general Hazards

R-phrases.....: May cause sensitisation by skin contact
Explosion hazard.....: No direct explosion hazard
Classified dangerous in accordance with Directives 67/548/EEC and 1999/45/EC

2.2 Environmental hazards

No additional information available

2.3 Other dangers

No additional information available

3. Composition/information on ingredients

Name	Symbol	CAS no	EC no	EC index no	R-phrases	Reach
TenCaCid CTP Premium Green					R43	

4. First aid measures

4.1 Effects and symptoms

Symptoms/injuries.....: Can occur: eye irritation, irritation of mucous membranes and skin irritation

Symptoms/injuries upon intravenous administration : No data available

4.2 First aid measures

First-aid measures general: Rinse with water

First-aid measures after inhalation.....: Remove the victim into fresh air

First-aid measures after skin contact.....: Rinse with water. Wash with water and soap

First-aid measures after eye contact.....: Rinse immediately with plenty of water for 15 minutes

First-aid measures after ingestion.....: Immediately after ingestion: give lots of water to drink

4.3 Medical advice

No additional information available

5. Fire fighting measures

Personal protection (Emergency response) :
Safety glasses
Gloves

6. Accidental release measures

6.1 Protective measures

Personal protection (Emergency response) :
Safety glasses
Gloves

Handling the product : Observe normal hygiene standards. When using do not eat or drink

6.2 Environmental measures

Environmental precautions..... : Do not allow into drains or water courses or dispose of where ground or surface waters may be affected

6.3 Disposal

Leak..... : Plug the leak, cut off the supply
Methods for cleaning : Waste to eliminate according to chemical waste law

6.4 Other information

Other information (accidental release)..... : Waste to eliminate according to chemical waste law

7. Handling and storage

7.1 Handling

Handling the product : Observe normal hygiene standards. When using do not eat or drink

7.2 Storage

Storage area : Protect against frost. Store at ambient temperature

7.3 Special use(s) and requirements

Containers : requirements..... : closing
correctly labelled
Containers : material selection..... : synthetic material
Recommended materials : synthetic material

8. Exposure controls / Personal protection equipment

8.1 Exposure information

No additional information available

8.2 Exposure control - Risk Management measures

Hand protection..... : Wear suitable gloves.
Eye protection : Protective goggles
Handling the product : Observe normal hygiene standards. When using do not eat or drink
Personal protection (Material-Handling) ... :
Safety glasses
Gloves

8.3 Environmental Exposure control - Risk Management measures

No additional information available

8.4 Technical Risk Management Measures

No additional information available

9. Physical and chemical properties

9.1 General information

Appearance : Liquid
State of aggregation..... : Liquid
Odour : mild odour
Colour..... : Yellow

9.2 Important health, safety and environmental information

Flashpoint..... : > 100 °C
pH..... : 4.95 +/- 0.1%
pH solution : 4.98 3 %

9.3 Other information

Solubility in water : soluble in water g/100ml
Other properties : Soluble in water

10. Stability and reactivity

10.1 Stability

Instability : Stable under normal conditions

10.2 Conditions to avoid

Conditions to avoid..... : Protect against frost

10.3 Materials to avoid

No additional information available

10.4 Hazardous decomposition products

No additional information available

11. Toxicological information

11.1 Toxicity

Eye irritation : Irritating to eyes

Skin irritation: Irritating to skin. May cause sensitisation by skin contact

11.2 Effects and symptoms

No additional information available

11.3 Additional toxicological information

Symptoms/injuries.....: Can occur: eye irritation, irritation of mucous membranes and skin irritation

Symptoms/injuries upon intravenous administration : No data available

11.4 Additional toxicological information

No additional information available

12. Ecological information

12.1 Ecotoxicity

a) LC50/EC50

No additional information available

b) BCF

No additional information available

c) TLM

No additional information available

12.2 Mobility

Other properties: Soluble in water

12.3 Persistence and Biodegradation

No additional information available

12.4 Bioaccumulation

No additional information available

12.5 Results of PBT assessment

No additional information available

12.6 Other information

Other information (adverse effects): Non-toxic

13. Disposal considerations

No additional information available

14. Transport information

14.1 ADR (Road transport)

ADR danger labels : Not applicable

ADR transport regulations..... : Not subject

14.2 RID (Railway transport)

No additional information available

14.3 ADNR (Inland waterways shipping)

No additional information available

14.4 IMDG (Sea transport)

No additional information available

14.5 ICAO/IATA (Air transport)

No additional information available

15. Regulatory information

15.1 Components indicating danger classification

No additional information available

15.2 Classification and labelling

R-phrases..... : R43 - May cause sensitisation by skin contact

S-phrases..... : S26 - In case of contact with eyes, rinse immediately with plenty of water and seek medical advice
S36/37/39 - Wear suitable protective clothing gloves, and eye/face protection

S45 - In case of accident or if you feel unwell, seek medical advice immediately (show the label where possible)

S23 - Do not breathe gas/fumes/vapour/spray (appropriate wording to be specified by the manufacturer).

S28 - After contact with skin, wash immediately with plenty of ... (to be specified by the manufacturer).

S35 - This material and its container must be disposed of in a safe way

Note..... : mal-kode: 01-1 (1993)

15.3 Compliancy additional legislation

No additional information available

16. Other information
